Interdisciplinary Aspects:	Cultures, English
Activities in the Areas:	
- Further Education	
- Research	Conducting research on English literature and language
- Consultancy	Guiding students in conducting their research projects
How are personal research activities reflected in teaching activities?	In teaching, I did the observation, assessment, provide feedbacks and evaluate. From researching, it showed the way students comprehend and manage to do their working individually or as a group. They are required to create a learning environment that is conducive, encouraging, and well-controlled as expected.
